

2010 – 2011 Artist Membership

Your membership to the Randolph County Community Arts Center - through a donation of \$30 or more to the Arts Center - provides you with several benefits as an artist.

- Inclusion on the RCCAC Artist Registry. Visual artists who would like to participate in the artist registry on the RCCAC website should complete the attached form and return to us with your jpeg images. (If you would like this file via e-mail, please e-mail us at info@randolpharts.org. It makes your addition to the web much easier.) Musical artists and creative writers who would like to participate in the artist registry on the RCCAC website should complete the attached form and return to us with a wav or MP3 file. (Our Webmaster will post additions to the registry once each month.)
- Reduced entry fee to the RCCAC's Annual Juried Gala Exhibit and the RCCAC / Seneca Trail Artists Guild Mountain State Forest Festival Exhibit.
- Notification of member's only exhibit/performance opportunities at RCCAC.
- Participation in the RCCAC Annual Artist Market. (Space reservations for this event are reserved in order they are received.)
- Notification to attend visiting guest artist workshops at RCCAC.
- Notification of exhibit/performance opportunities outside of RCCAC as we receive notification from other organizations.
- Notification of workshop opportunities for area artists as we receive notification from other organizations.
- Notification of grant opportunities for artists.

2010 - 2011 RCCAC Website Artist Registry

Artist Name:

Home (City,

State):

Contact

information:

Website address:

Medium:

Artist Bio:

(5-6 sentence

description

of background,

philosophy

of art, etc.)

The Artist Registry will include up to two images or musical files of each artist's work, a photograph of the artist if desired and the artist bio from above. For each image you would like included on the registry, please complete a description of the work below. Please submit your images in JPEG format and your audio files in wav or MP3 files on a CD-R.
